

IS NOW

Dear Patient,

We personally would like to thank you for your trust in Preferred Pain Management & Spine Care. We continue to strive to provide our patients with superior services in a patient centered environment. In a focus on improving access to our pain management services, we are pleased to announce that Preferred Pain Management & Spine Care (**PPMSC**) is now part of one of the Triangle's most respected pain management practices:

**PPMSC** has joined Wake Spine and Pain Specialists and as of January 3rd, 2022 will operate under the name:

## **Wake Spine and Pain Specialists**

- \*The Same Providers**
- \*The Same Physician Assistants**
- \*More Locations**
- \*Highly Dedicated Staff**
- \*Most Insurances Accepted**

By joining forces, PPMSC and Wake Spine and Pain are able to provide access to our excellent pain management services to a larger geographic area. Our values and approach to patient care have not changed. We have worked diligently to make this transition as seamless as possible for our patients. Together, our professional staff continues to look forward to providing you with the very best pain management services.
